COMPANY OVERVIEW

United Veterans Contracting Services, LLC (UVCS) is a California-based, SBA-certified Service-Disabled Veteran-Owned Small Business (SDVOSB) specializing in the supply of tarps, covers, and protective products to federal, state, municipal, aerospace, and commercial customers nationwide. Founded in 2022 by service-disabled veteran owner Johnnie A. Paxton, UVCS combines the trust and accountability of veteran ownership with deep distribution expertise and a strategic manufacturing partnership with Tarps Manufacturing of Santa Fe Springs, California — an established U.S. manufacturer in business since 2002 serving aerospace, defense, military, U.S. government agencies, municipalities, corrections, and commercial trucking industries.

Why UVCS

Veteran Ownership. SBA-certified SDVOSB with intact certification, supporting prime contractors' federal subcontracting plan goals and qualifying UVCS for SDVOSB set-asides government-wide.

Manufacturing Partnership. Exclusive teaming relationship with Tarps Manufacturing of Santa Fe Springs, CA — a 24-year California manufacturer serving aerospace, defense, military, corrections, and municipal customers. Local production enables rapid response, quality control, and competitive pricing.

Diverse Certification Stack. SDVOSB · MBE · SBE · Small Disadvantaged Business · Hispanic-Owned. 8(a) Business Development Program application pending with SBA.

Geographic Concentration. Strategic positioning in Southern California provides direct proximity to major federal installations (MCAS Miramar, Camp Pendleton, March ARB, LA AFB, Edwards AFB), aerospace primes (Boeing, Northrop Grumman, SpaceX, JPL), and California state procurement (Caltrans, CDCR, CalRecycle).

Disaster Response Ready. Registered on the SAM.gov Disaster Response Registry and enrolled in the FEMA Industry Liaison Program. Equipped to deliver in support of hurricane, wildfire, flood, and earthquake response operations.
